

Brainiversity™

Product Description

Brainiversity is a Facebook brain-training game designed to stimulate your brain with different games covering Language, Memory, Math and Analysis.

Brainiversity includes a Daily Exam mode that records your daily workouts - the results of which are viewable on a monthly chart. You can even compare your results with your friends and other Facebook users.

Your host, Edison, will keep you informed of your progress, make jokes, give you fun facts and let you know if someone famous was born on the day you are playing.
